

Lab Assignment 4

Write a Java Program, Which will print the following pattern using:

```
1. 12345
   1234
   123
   12
   1
```

```
2. *****
   *****
   ***
   **
   *
   *
   **
   ***
   *****
   *****
```

Note: You need to write 2 programs for each of the pattern using using:

1. For loop
2. While loop
